The senior class of BHS presented the play "Harvey," written by Mary Chase, in the BHS auditorium on December 20, 1973.

Situated in a city in the far west, the three-act comedy is set in the library of the Dowd family mansion; and in the reception room of Chumley's Rest, a sanitarium.

The play centers around the exploits of Elwood P. Dowd and his friend, Harvey, a six foot tall white rabbit; and the attempts of Elwood's sister to have him committed to the sanitarium.

Due to a lot of hassles, the energy crisis, and a postponement, the play had to be rescheduled for 3:00 p.m. December 20. The play was performed before a small, but appreciative, audience.

"Christmas Prom? Was I there?" (Mrs. Larson)
"The Prom was great but the intermissions were even better!" (Brenda Blass, '75)

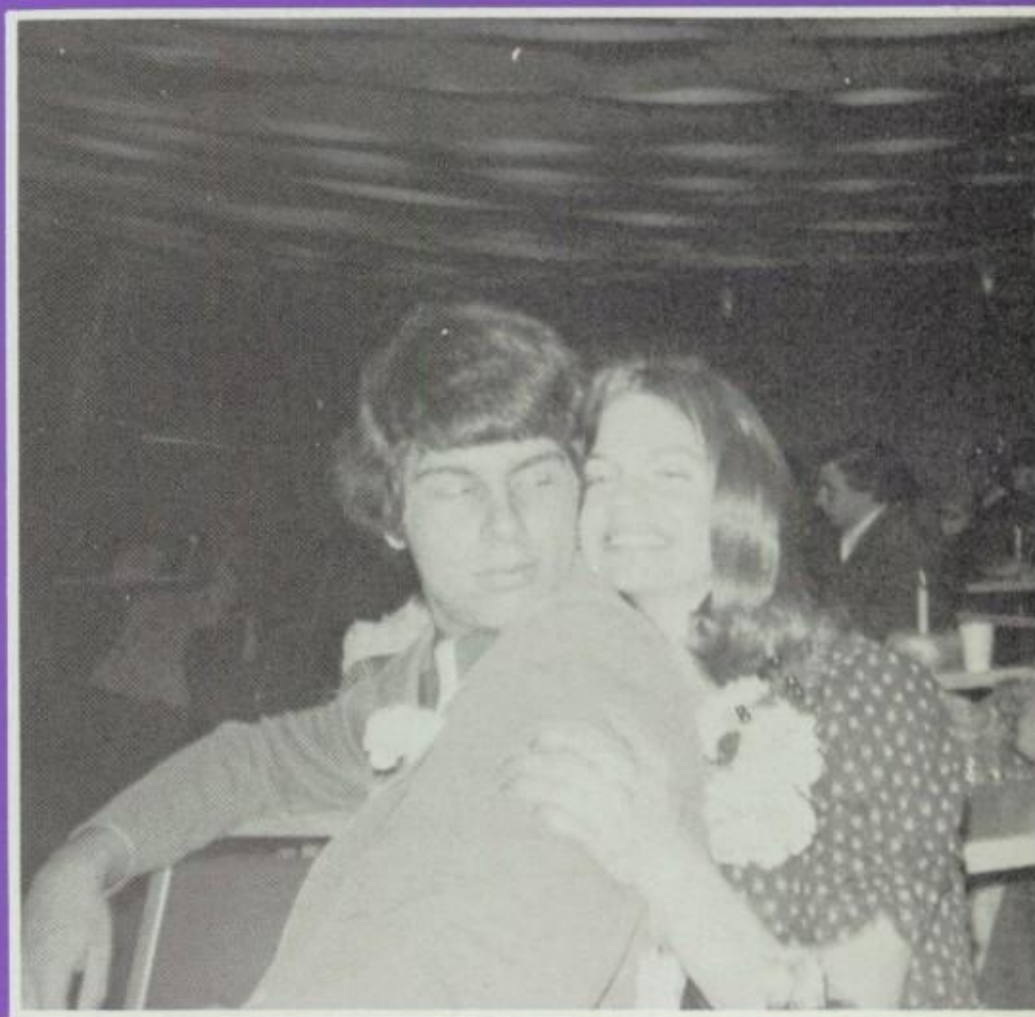

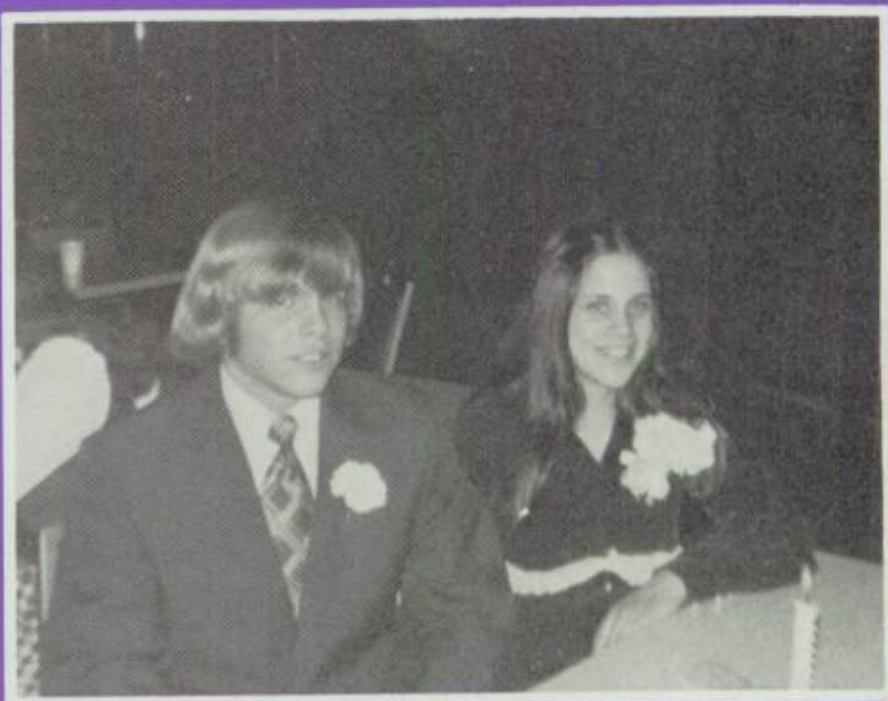

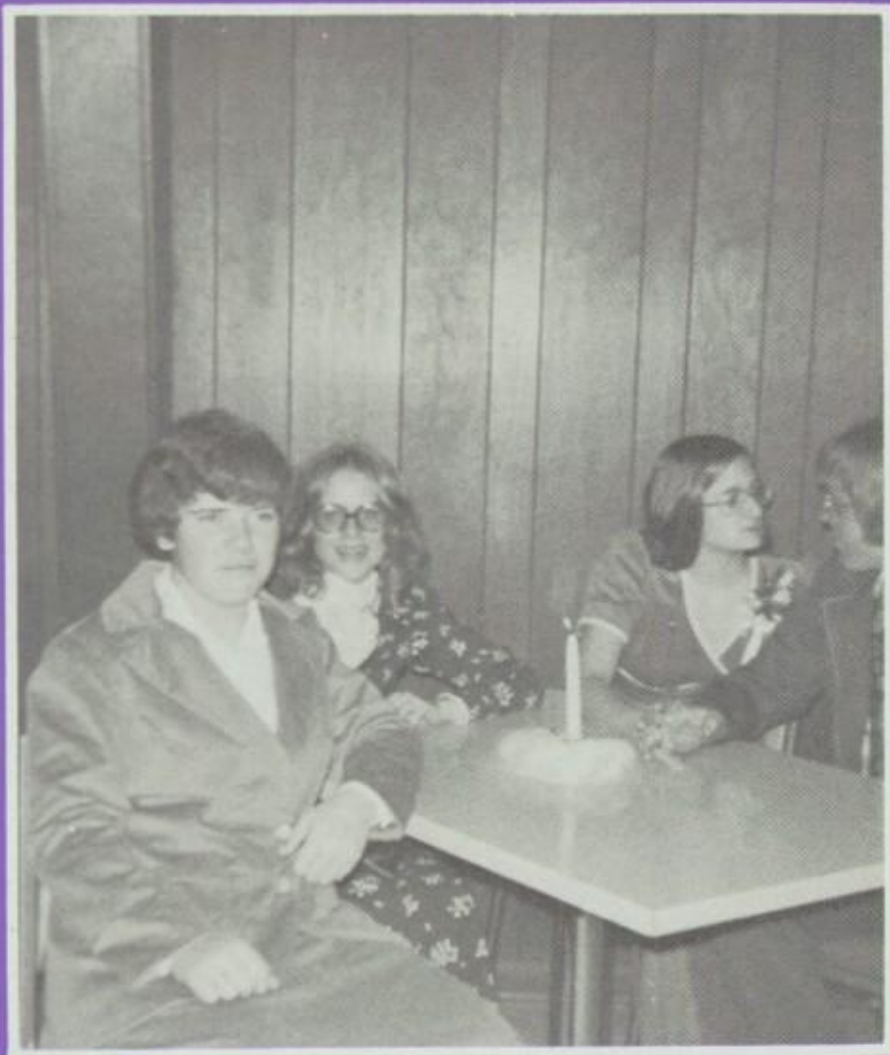

Juniors and seniors congregated at the American Legion Hall, Saturday, December 22, for "This Magic Moment," the 1973 Christmas Prom.

Entertaining the group from 9 p.m. to 1 a.m. was "Snow" from Lawrence, Kansas.

Following tradition, Senior class president, Greg Hansen, presented the prom to the Junior class during intermission.

After three postponements, waiting until the last minute to decorate, and having a band cancellation, everyone expected the worst. Fortunately, the Christmas Prom was not a total disaster, because of the hard work of a few loyal seniors.

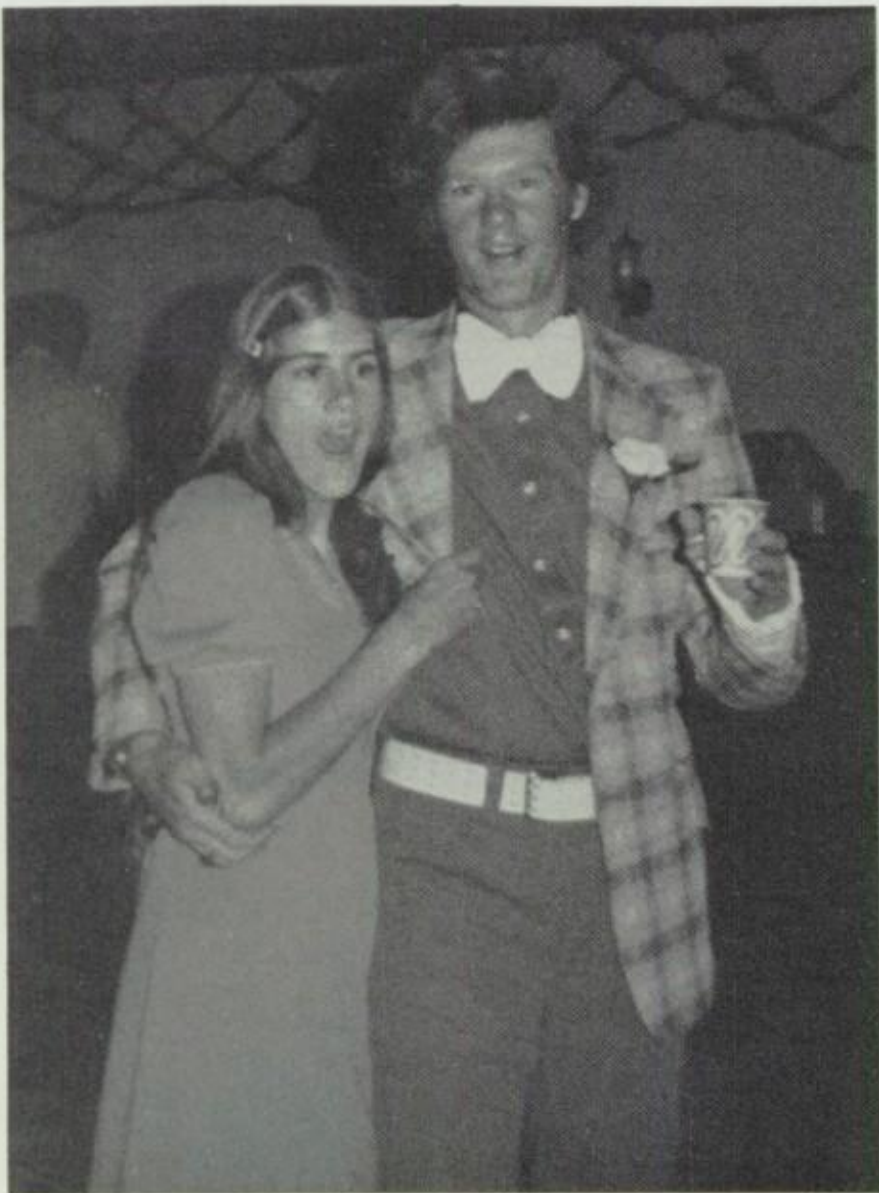

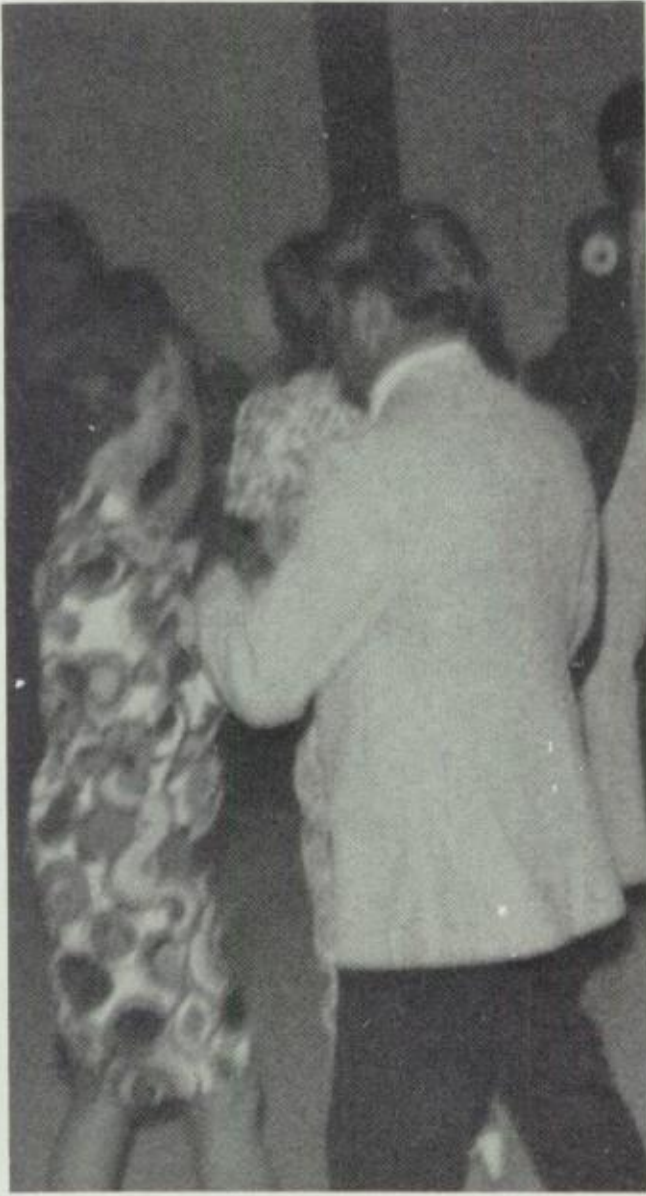

Jr-Sr Prom

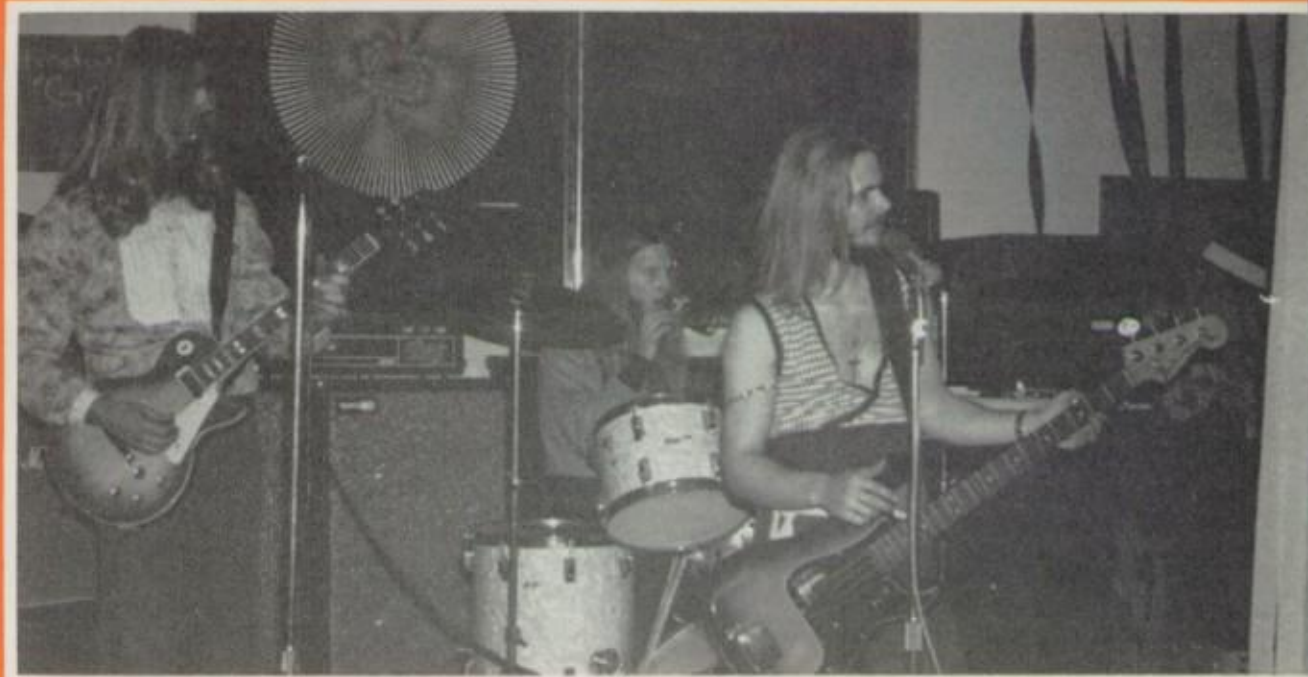

"We May Never Pass This Way Again" was the theme for the annual Junior-Senior Prom held April 27 at the Beloit Elks Club. The evening's activities began with the traditional dinner. The menu consisted of barbecued beef, tossed salad, scalloped potatoes, rolls, green beans and ice cream.

A short program followed with Jon Beeler, president of the Junior class, inviting everyone to the dance. Andra Fletchall sang "Time in a Bottle" accompanied by Raelene Walker.

Sophomore servers included Kathie File, Janet Fogo, Jane Hansen, Kris Mc Clintock, Connie Schaffer, Brenda Treaster, Tammy Wilson, Greg Hewitt, Jim Hewitt, Joe LeSage, Mike Spicher, Tim Steiner, Dan Pruitt and Jeff Thomas.

Football Homecoming

Football homecoming began with a traditional afternoon parade. Sophomores won first prize with their float, "Making You an Offer." Queen candidates and their escorts were then introduced at the pep rally held downtown.

At halftime of the Beloit-Concordia homecoming game to the music "Let Me Call You Sweetheart," the Beloit Trojan Band and Pep Club formed a heart on

the football field. Following this the queen candidates, Marsha Ackerman, Kathy Brummer, Pat Kadel and their escorts were introduced by Greg Hansen, the Master of Ceremonies. Marsha Ackerman was crowned 1973-74 Football Homecoming Queen. With a 33-0 victory for the Trojans, the Queen and her attendants, along with the BHS student body, danced to "Justis" at the Elks Lodge.

"Football is played with controlled violence, a smart coach, and players who understand what it's all about." (Rick Hartenbower '75)

"Football is a demanding experience that helps to develop accord between all members of the team." (Carl Hobbs '75)

Head Football Coach Clayton Williams sums up a winning season with a 6-3 overall record by saying, "Coming within one step of our goal of winning the league was a great finish for our boys."

Off to a good start, the Trojans tromped Riley County but then met defeat the following Friday against the high ranked Minneapolis Lions. But the gridders showed winning consistency in their next two league games with Belleville and Osborne. The Trojans saw their second defeat when they traveled to Marysville for the Bulldogs Homecoming. Determined to win their own Homecoming game, the Trojans captured a victory over the Concordia Panthers.

Again, the gridders showed talent in winning two consecutive league games against Mankato and Smith Center. Losing a crucial game with Lincoln, which would have made Beloit NKL co-champions, left the Trojans with a second place title in league play.

Assisting Coach Williams were coaches Jay Rowh, Ken Piazza, and Jerry Johnson. The players making the all-league team were seniors Bob Miller, Jerry Goddard, and Mike Gridley. Receiving honorable mention were Rick Hartenbower, Mark Studer, and Shelly File. Hartenbower was also named All-American in High School Football by Who's Who in High School Athletics.

The BHS Cross Country team was seen in early fall jogging along at a steady clip preparing for their Cross Country races, which consists of two miles. With ten boys out, Coach Randy Woelk was able to enter a full team in the meets, something that he was not able to do the previous year. With only one returning letterman, Steve Zachary, the team was an inexperienced one but showed proof of their hard work by finishing fifth in the league meet. Steve Zachary, Gary Smith, Joey Cicanek, and David Zachary were the four boys that met the requirements to earn a letter.

Coach Woelk reflects upon the season by saying, "The Cross Country team had a full team in all the meets this year. Those Beloit runners that went to the league and regional meets placed well."

"Billie Jean Bean", as the tennis squad called their coach, led the second girls tennis team to an exciting season. Ten girls made up the team and sported new orange knit outfits. The season saw some close matches and great improvement was shown over the previous year. The netters played Ellsworth twice, losing 4-5 and 2-7; Chapman twice, losing 3-6 and winning 9-0; Concordia, winning 9-6; and Plainville, losing 2-7.

No. 1 and No. 2 doubles teams traveled to the Regional tourney at Russell. S. Ludwig and A. Guipre got a bye their first round but lost their second round. C. Olmstead and D. Deets won their first round but lost their second.

Coach Sharon Bean comments on the season by saying, "We've come a long way in just two years- it seemed like the first year all we could do is get shut out 0-8. But things looked better for us this year thanks to a 'little more experience' and a fine, enthusiastic group of girls who practiced hard- sometimes I think they thought they were at football practice."

The candidates were Connie File, Natalie Hewitt, Cathy Kirgis, Susan Steiner, and serving as honorary queen was Susanne Fabricius, AFS student. Connie File was chosen 1973-74 Winter Sports Homecoming Queen. Connie and her attendants reigned over the varsity game which proved to be a narrow victory for the Trojans, with a final score of 59-57.

Following the game a dance was held at the VFW Hall. Providing music was "Gage."

"If we would have had more points than our opponents at the end of the games, we would have had more victories." (Tim Steiner, '76)

Fired up and with high hopes of giving Trojan basketballers a winning name, Smith Center Redmen saw defeat on the opening game of the season against Beloit. Spirits were still high as Trojans traveled to Belleville to meet a state-ranked team. During the last quarter, Beloit pulled within five points of tying the score, but the game ended; Belleville 57, Beloit 44. The next two games went to opponents Minneapolis and Lincoln, but the Trojans bounced back to defeat Mankato. Coming close towards the close of the game, but then dropping back again, the Trojans lost again Concordia. Beloit fans saw an exciting Homecoming game as Osborne fell short two points when the buzzer sounded.

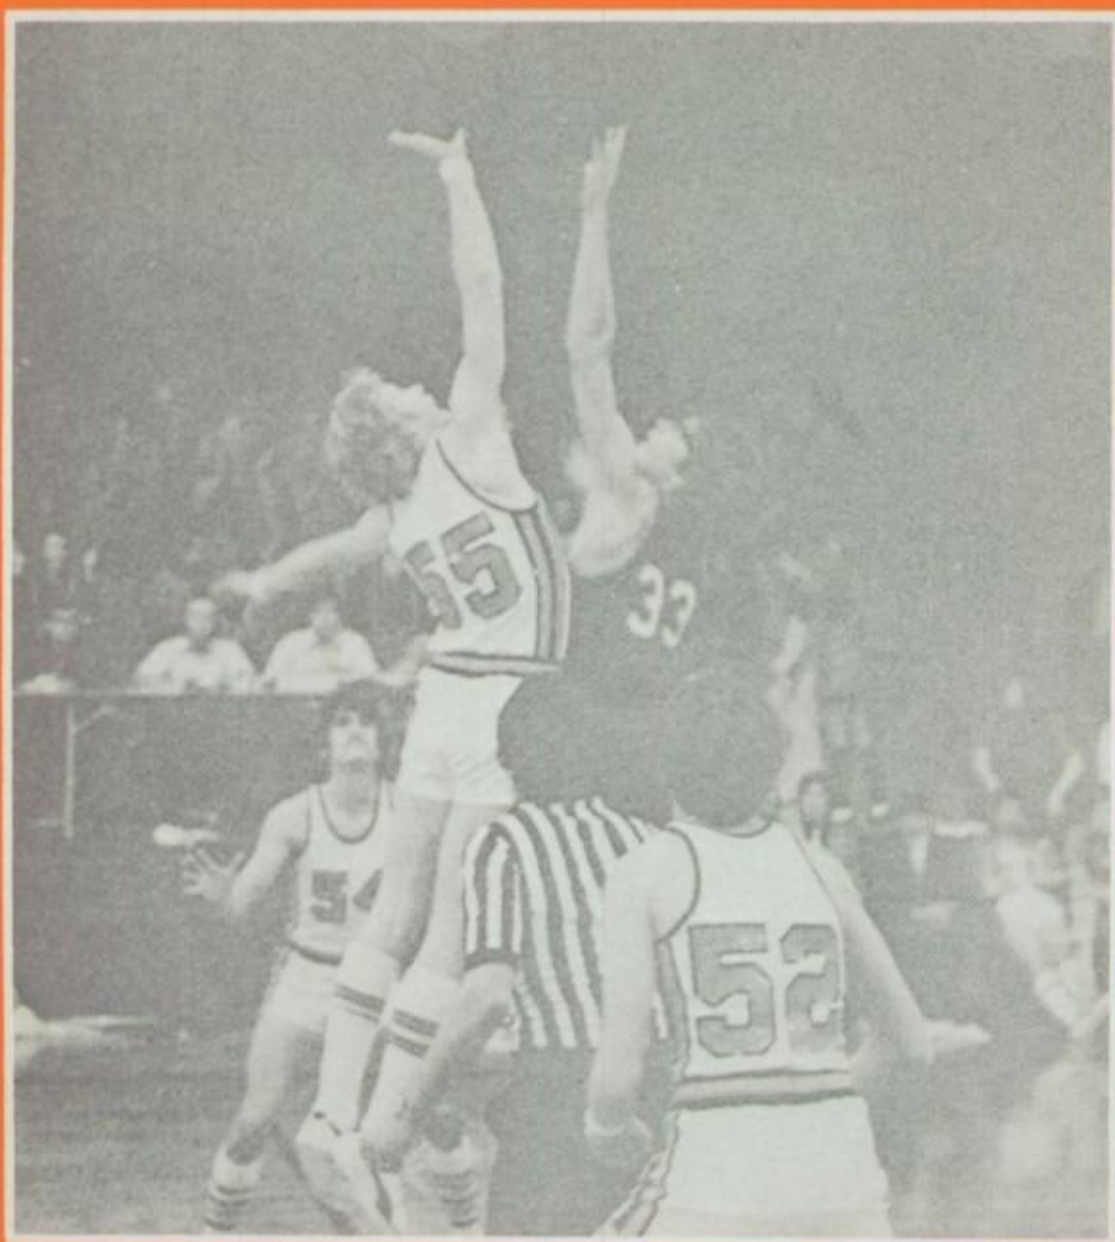

Beloit, being invited to their first mid-state tournament, lost against three larger schools, taking eighth in tourney play.

During the second half of the season, Beloit overtook Mankato, Osborne, and Concordia but fell to five other teams, one of them being a new opponent, Hoisington. With school and team spirit at it's utmost, Beloit traveled to Belleville for the Regional Tournament. Playing a very close and exciting game all the way, Trojans lost to Smith Center 55-53, closing out their season.

Head Coach Jerry Johnson comments upon the season, "We were a young and inexperienced team playing against strong competition. This was a challenge our players faced. Even though we didn't have a winning season the players played good ball."

"This year was the best season I've had as the players really worked hard." (Jim Beeler '75)

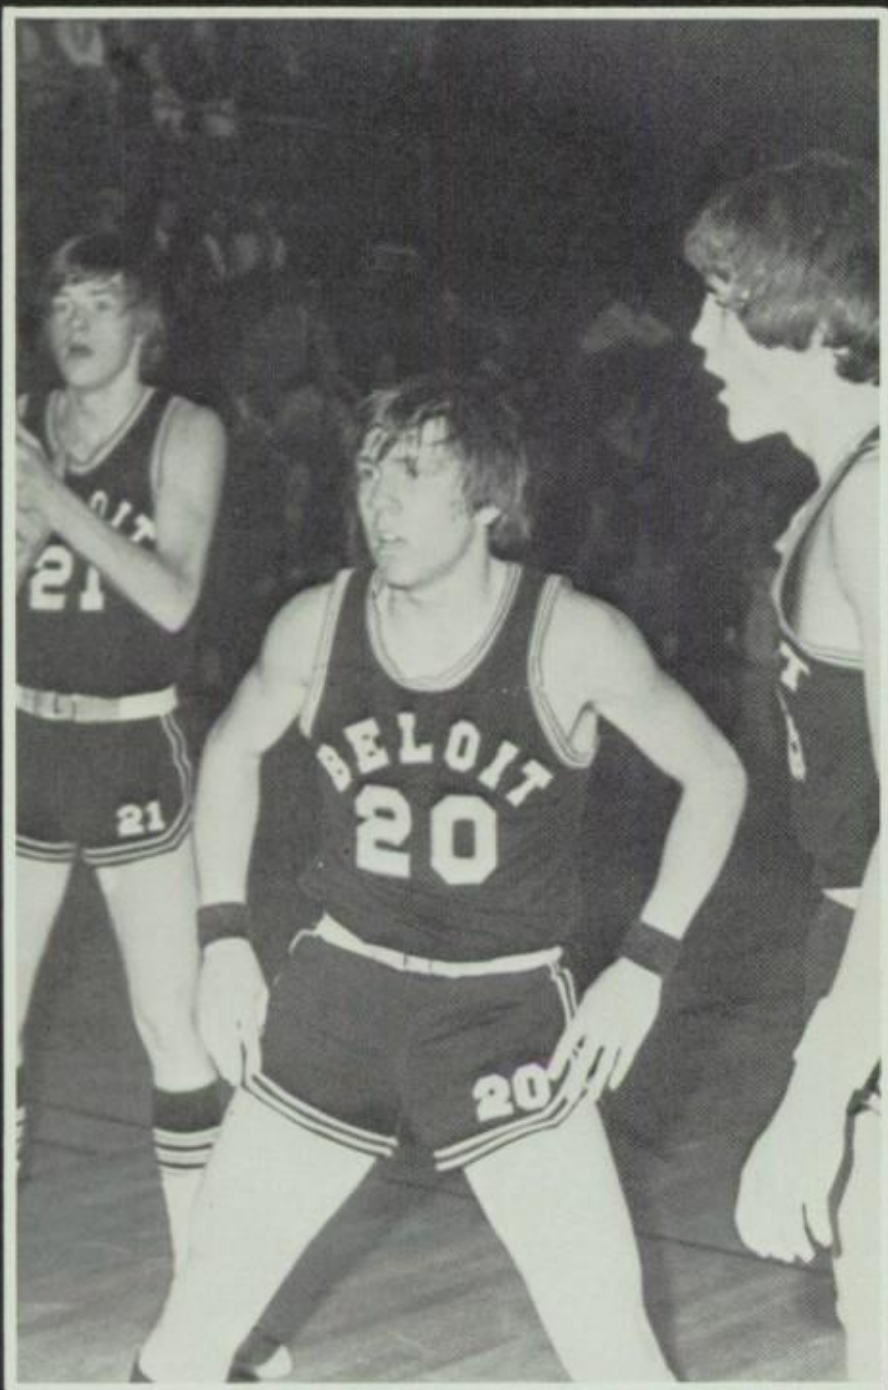

Many tense moments were provided for the fans, as seven of the B-team games went down to the last five seconds before the victor emerged, Beloit winning five of these games.

Right from the start the B-team ran into trouble with turnovers and fouls as their record plunged to 1-6. The team, however started to play better fundamentally and advanced their record to 3-8 during midseason. Finally, working together as a team, the B-team won four out of its last five games raising their record to 7-9.

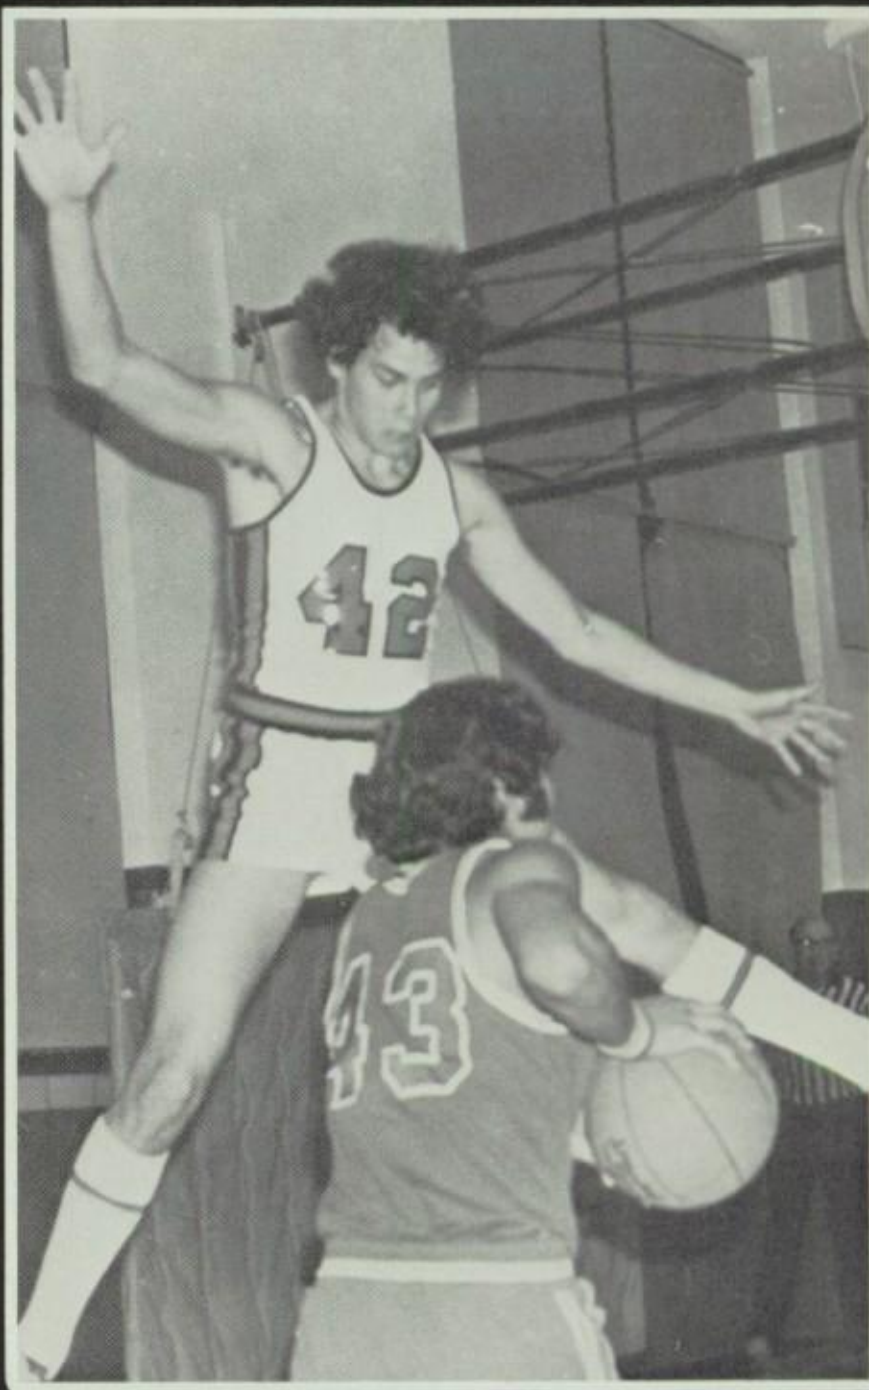

The season ended with a determined and well balanced B-team, coached by Jay Rowh. Rebounding was the key to the season, as Beloit out-rebounded every opponent they played.

Ken Piazza's Trojan wrestlers had a successful season, capturing the NKL title and finishing with a 7-1 record. Beloit went up against Concordia, Riley County, Superior, Minneapolis, Osborne, Stockton, Ellsworth, and Belleville, losing only to Superior. Trojans proved their competitive spirit at the Osborne match, Beloit's toughest league rival, when Trojans won 27-25.

Trojan grapplers participated in the Superior Invitational (3rd), where Wayne Petterson received "Best Wrestler Award"; the Beloit Invitational (1st), and the District Tournament (1st). Eight Trojans went to Regionals, where Beloit took seventh, with Mark Studer and Jim Kindscher taking second, thus moving them on to state. At Colby, Jim and Mark both took second in their weight class and placed seventh team wise in the state tourney.

The 1974 boys track season saw some outstanding individual accomplishments. Mark Morrison set a new high school long jump record with a leap of 22'6". He broke Don Widrig's old record of 22'5" set in 1952. This brought Morrison a second place medal in the state outdoor meet. Bob Miller also traveled to state and captured fifth in the 100 yd. dash. Don File set a new record at the League Meet in the high jump, reaching 6'1", and also brought home a gold medal.

Three seniors stuck out the season: Bob Miller, Don File, and Mark Studer. Bob is a four year letterman in

the sprints and relays. Don is a four year letterman in the hurdles and high jump. Mark is a two-year letterman in the discus.

Team accomplishments were not as good as expected due to some injuries to vital team members. Beloit did capture fourth at the Beloit Relays, missing third by one point; and also fourth at the League meet. The freshmen team had a good season, placing high on the charts in all of their meets.

The Trojans were coached by Jay Rowh, with Bob Harrison and Clayton Williams assisting. Rowh states, "Our best squad since 1971 (NKL Champs). We were hurt by injuries to all three of our sophomore lettermen. There will be seven returning lettermen for 1974-75. We need vast improvement out of the rest of our sophomores if we are to challenge next year."

Coach Sharon Bean led her girls track team to an exciting and rewarding season. The highlight of the season was when the 440 yd. relay team, composed of Candy Van Pelt, Connie Schaffer, Rose Dobratz, and Marsha Ackerman, took third at the state outdoor meet held in Wichita. This is the first time in the history of BHS girls track that anyone has placed at state.

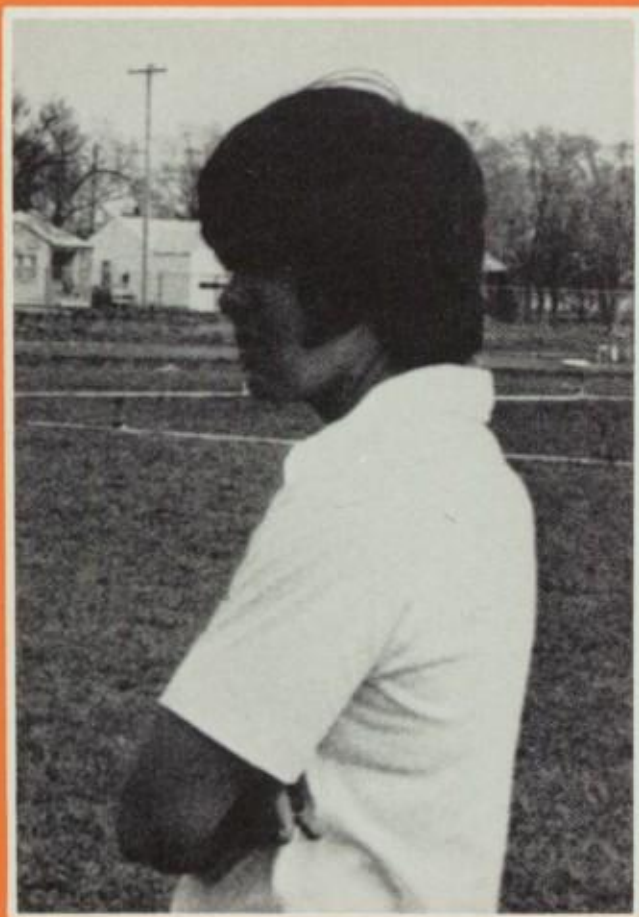

The Trojans best track meet was the Regional meet where Beloit tied for fifth out of 32 teams. Candy Van Pelt took first in the 220 yd. dash. Cathy Kirgis placed third in the 110 yd. hurdles, the 880 yd. relay team took second and the 440 yd. relay team took third, enabling each of these girls to go to state.

The track squad participated in meets at Beloit (dual), Lynn, Phillipsburg, Beloit Invitational, Concordia, Jewell, League Regional, and State. New records were set this year by the 440 yd. relay team, 880 yd. relay team, 880 yd. run by Michelle Guipre, and the 220 yd. run by Candy Van Pelt. Connie Schaffer tied the school record in the 110 yd. dash and Cathy Kirgis established the record in the 110 yd. hurdles.

Coach Bean looks back on the season by saying, "In early season we got off to a slow start but we got in gear at our Invitational. By the time League rolled around everyone was going great guns and at Regional we really outdid ourselves with six girls qualifying for state.

Coach Bean congratulates Candy after winning the 220 yd. dash at Regional.

Pep Club spirit was dragging at the beginning of the school year, but with the help of the coaches, the Booster Club, and a different approach to Pep Rallies, Trojan spirit was revived.

During each season, the head coach of each sport talked to Pep Club, explaining the rules of the game.

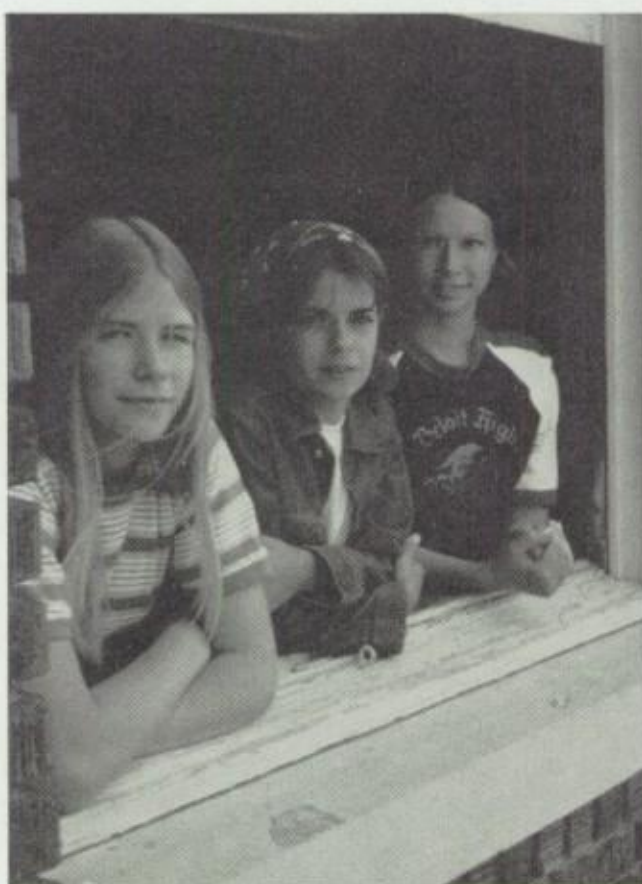

The new money-making project was selling wrestling buttons along with concession stands for all sports being the major source of income.

Looking for a change of uniforms, Pep Club voted on the pattern and fabric, but the idea never materialized.

With high hopes for next year, plans for new uniforms, different offices in Pep Club, and new cheerleading squads are planned.

Attending a five-day cheerleading camp, sponsored by NCA, were the Varsity and B-team squads. Besides bringing home three blue superior ribbons, one red ex-

cellent ribbon, and the Spirit Stick, the Varsity was nominated for the Coca Cola Award, an honor for the top squad there. Participating in a later session, the B-team received two superior and two outstanding ribbons.

Money-making projects were new and few. They included selling donations to win a Trojan wall hanging and bake sales.

During the fall, Lettermen's sold shirts, t-shirts, jerseys, jackets and sweaters for X-mas gifts. Many of these later showed up in the halls of BHS. Donations were accepted at all home basketball games and wrestling matches. Coke-break was held after 4th hour, on Thursdays.

The first All Sports Banquet, of Beloit High School, was held on April 19, at the Elks Hall. Ken Cochran, coach of the Marymount Spartans of Salina, was the guest speaker. All athletes were honored by the coaches for their participation in the sports program, before the meal. A picnic was held at the end of the year.

The wind now sings a softer tune
to the slim green dancers
that sway gently on their
once black barren stage.

The evening seems peaceful now
with the moon dressed in a new gown
lying in its silver studded
blanket of night.

The early afternoon of spring
is like my life
with morning a misty
dew ridden memory.

With late afternoon
only a whispered wish
told to the sinking sun.

With evening a quiet
realm to escape to
after a weary day.

I wish I could put the
early afternoon of spring
in one endless room
and live in that room
the rest of my life. - Joleen Munsey -

Tells is an organization in which members write poems, plays, stories, and songs. They are presented at meetings under the direction of Tells President Joleen Munsey. Comments and criticisms are given, along with different discussions on how to improve the writings.

Creative Night was held in which various writings and skills were performed in front of an audience. For Creative Night, Tells performed two plays, "I'll Never Promise," and "The Dogs Turn Criminal." A typewriter routine, dueling banjos, assorted poems and songs were also presented. "Windows," an annual book project of Tells full of poems and writings was published, and sold for \$1.00.

"Resolved: The federal government should provide a program to employ all employable citizens of the United States" was the resolution for 1973-74 debaters.

The BHS Debate squad consisted of the members of the Debate class. To pass the course, it was required that each student attend at least one debate tournament. At these tournaments, all teams had to debate at least five or six rounds, three affirmative and three negative. Tournaments were held in Junction City, Shawnee Heights High School (Tecumseh), and Phillipsburg.

A highlight of Science Club was programming and using a home-built analog computer. Another point of interest was an experiment with photocells and how they change light into electricity.

C.E. Meloan, on February 20, from the Department of Chemistry at Kansas State, gave a speech on "Chemical Detectives-The FDA" to the Science Club and other interested members of BHS.

"As editor of the BHS Life, I felt that the paper had a fairly successful year. The smallness of the class had some adverse affect, but it was also a benefit in that it provided for more individual assistance. I wish next years class lots of luck, they will probably need it."

Mike Gridley

"Journalism class this year was like a pair of old, smelly, well-worn tennis shoes. They've seen lots of good times but you're glad to get rid of them."

"It was fun but getting the paper out early seems to be an impossibility. Better luck next year."

Cathy Kirgis

"No one realizes what goes into making the paper until they are the ones doing it. Sometimes you feel it's a hopeless case but somehow we always pulled through!"

Kae Weber

"The best way during the year to get ideas was to read the exchange papers."

Sylvia Ludwig

"We're all eager beavers!" (Kevin Heidrick, '75)

The Trojan yearbook staff started out the year by attending a yearbook workshop at Cloud County Community College in Concordia. Basic principles and techniques of cover design, layout, and yearbook typography were covered.

The remainder of the year was spent searching for pictures and layouts to meet deadlines. New color, quotes from students, and theme ideas were added to highlight the 1974 yearbook.

The class works hard to meet another deadline.

"It was impossible to please all of the students, but we did a good job trying." (Jim Beeler, '75)

"More students should let the Stu-Co members know what they want done." (Delores Deets, '75)

It's too bad that a few people have to abuse privileges that Stu-Co has worked hard to get for the student body." (Susan Steiner, '74)

"We've got a good group this year who are willing to represent the student body and to work hard." (Leila Case, '74)

The twenty-six members of Stu-Co, led by President Leila Case, had a busy year. Besides furnishing a juke box and a candy machine for BHS students, the members planned and sponsored Homecomings, discussed plans for a student lounge, gave flowers to senior athletes, and chose lyceums. A Stu-Co Workshop in Emporia and an AFS Round-up in Manhattan were also attended by Stu-Co members.

"Teaching can be a real learning experience." (Janice Gersow, '74)

"People who want to become teachers get a chance to look at what teaching would involve." (Nancy Oetting, '76)

Future Teachers found time the first and third Tuesday during activity period to teach at the Christian Church, and Elementary School for the full year. They also taught at the Junior High for one semester.

Comments heard about teaching were that it was a lot of fun and would prove rewarding.

Students teaching at the Christian Church also helped out at a Valentines Party for the trainable class.

(L to R) President - Pam Porter, Vice President - Sylvia Ludwig, Secretary - Connie Schaffer, Treasurer - Cathy Kirgis, Stu-Co - Dee Monty.

It was held February 19 with a pot luck supper starting at 6:30, then singing and games led by Future Teachers at 7:30.

Those students helping at the Christian Church found that time spent helping these kids was time spent wisely.

"We had a lot of accomplishments this year." (Marian Motes, '74)

"Future Nurses helps you to understand more about yourself, even if you don't go into nursing." (Becky Litton, '74)

"Mycket trevlig Klubb." (Susanne Fabricius, '74)

Future Nurses helped out with height, weight, eye and ear examinations at the Elementary and High School.

Also a group of volunteer Future Nurses were assigned to work at the hospital in long term care, and also helping out in the kitchen. These girls volunteered to help out at the hospital, and received no money for their services. They found themselves justly rewarded by just being there to help out when needed.

"It seems like everyone has lost interest in it. The true purpose of Y-Teens seems to be forgotten these days." (Nancy Abercrombie, '75)

"I liked Y-Teens better in Junior High because it was more organized." (Pam Plymire, '77)

Parties, suppers, and banquets filled the Y-Teens year. They included a Christmas and Valentines party, Big and Little Sister banquet, plus a Mother-Daughter-

Father banquet.

Y-Teens also continued their support in sponsoring an underprivileged child. Up until the past year, Y-Teens had sponsored a child named Sarah Palero, but at the age of 14, her families' income became high enough for Sarah to be dependent on her family. Now Y-Teens is sponsoring a 3 year old Filipino child named Elsie Calo.

Those receiving I's for their solos were: Pam Porter, Clarinet; Lorna Case and Pat Kadel, Flute; Becky Litton, Trombone; and Carolyn Dobratz, Oboe.

Michelle Guipre and Dawn Thompson, Clarinet; Janoette Wilson, Trumpet; Mark McDonald, Trombone and Ward Bryant, French Horn received II's.

Groups Receiving II's: Clarinet Choir, Flute Trio, Varsity Band, Woodwind Trio, Brass Choir and Trombone Quartet.

A Country-Western theme was used for the Stage Show featuring a Jug Band, Western, Hillbilly, and Square Dancers. All the hard work turned out a fantastic Stage Show, ending the year with everyone in good spirit.

 "Pep band is one of the most fun and exciting organizations I'm in. All the people in pep band have a lot of talent. It gives some of the kids a chance to show ability they wouldn't be able to show in a large band that played strictly by the music." (Curt Gridley, '76)

The pep band directed by Carl Fitzgerald made their performances at all home basketball games, playing such songs as, "Walkin' With a Waddle," "Sweet Georgia Brown," and "El Cumbanchero." The members all enjoy playing these more modern songs and have fun performing them. They also provided the music for the annual stage show which was May 3 and 4.

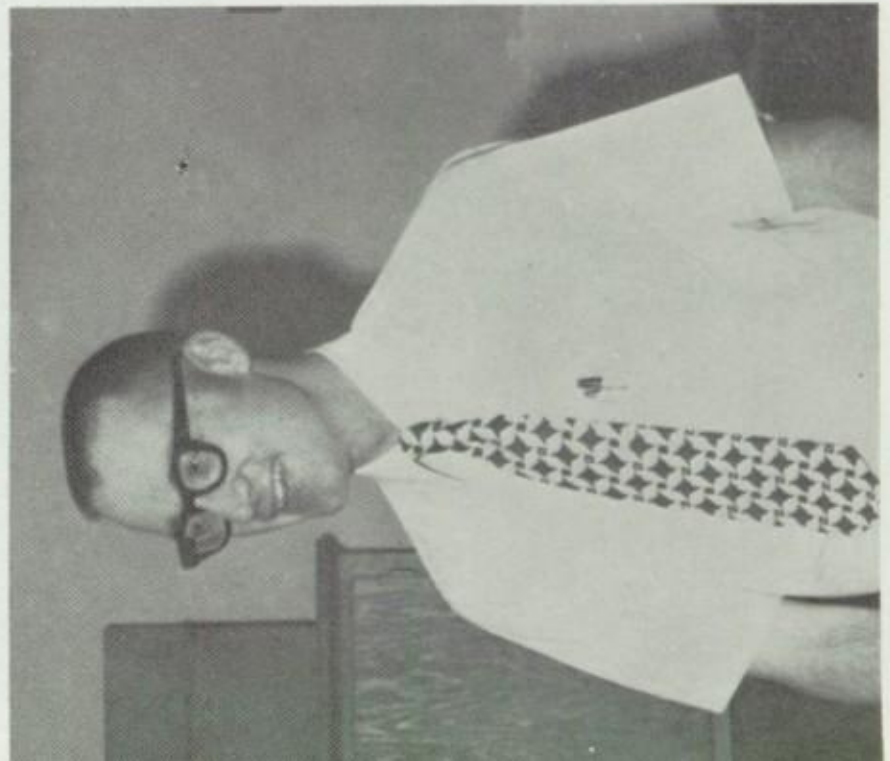

"It's a real blast! Get it?" (Sylvia Ludwig, '75)

"The Singers have talent but they don't try hard enough to show it."
(Becky File, '75)

Singers season was slow starting but got underway singing for the Lions Club and Rotary. They also performed for the fall musical concert. In March and April they were busy with contest numbers and finished the year singing in the stage chorus for the stage production, "Country Roads."

The 1974 Stage Show, "Country Roads," was presented by the BHS Fine Arts Department May 3 and 4.

The country setting of a barn, hay loft, and horse stalls was perfect for the Hillbilly bands, Jug band, dancers, twirlers, Stage Chorus, Stage band, and solos.

Songs performed by the Stage Chorus were "Country Roads," "Battle of New Orleans," "Delta Dawn," "Okie From Muskogee," "Gentle on My Mind," and "Proud Mary."

Solos were: Angela Guipre-"I Never Promised You a Rose Garden", Cathy Kirgis-"I Was Raised on Country Sunshine"; Ken Christie-"Between Winston, Salem and Nashville, Tennessee"; Andra Fletchall-"Snowbird"; Kathie File-"Happiest Girl in the Whole USA"; Tim Chapman-"Jambalya"; Steve Zachary-"Help Me Make

it Through the Night"; and Tammy Wilson-"Delta Dawn".

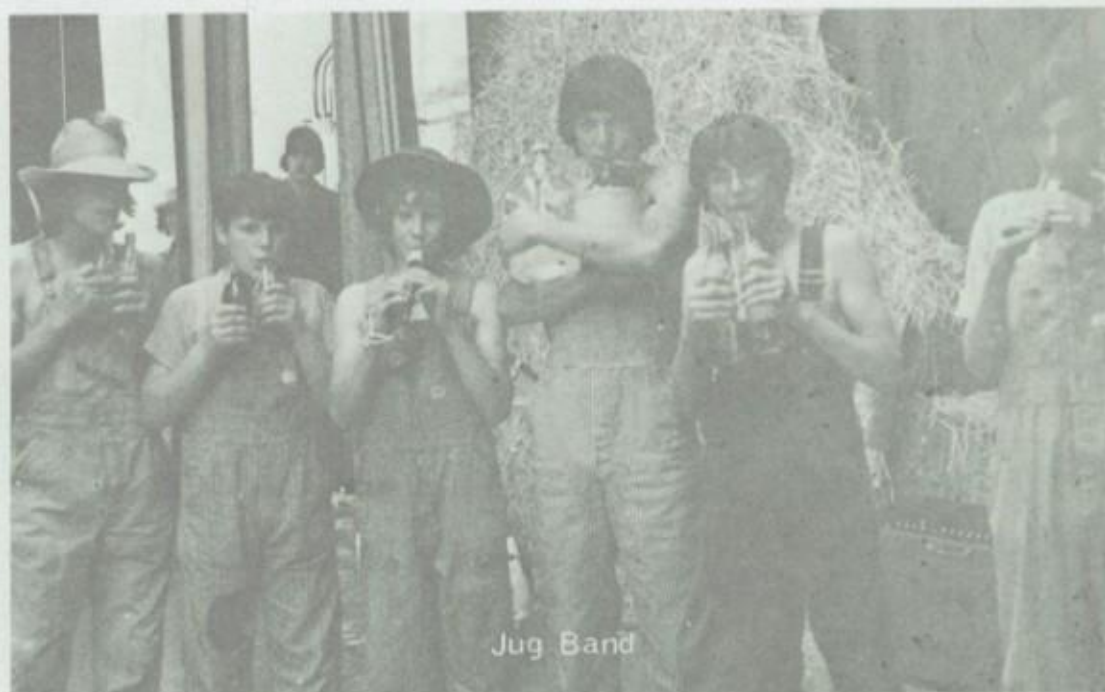

The Stage band performed a medley of popular country-western songs during the second act. Their combination of songs was a big hit with the audience.

Adding a little variety and enjoyment to the show were the Hillbilly dancers, Square dancers, Western dancers, and the Country Chick dancers. Marilyn McPeak and Pam Underhill entertained the audience with a baton routine to "Wabash Cannonball."

After the second night's performance, Mr. Fitzgerald and Mr. Bice received gift from the cast as a token of their appreciation for the many hours of hard work they put in on the show.

"Taking your life in your hands while walking down the hall."

(Larry Bauman, '77)

"I don't think it's fair the way the freshmen get treated." (Pam Plymire, '77)

"Sitting in the balcony for lyceums makes me feel like a little Jr. High kid again." (JoAnn Buckland, '77)

Becoming a freshmen isn't really the obstacle most freshmen expect it to be. You only have to learn the names of all the new faces (those older people) you now go to school with, choose from a greater variety of classes which to take, and learn how to cope with a greater amount of liberty.

Freshmen become involved in student activities, organizations, schoolwork, and sports when they enter the halls of BHS.

When the end of the school year finally comes rolling around, and the Class of '77 prepares to take the step of becoming sophomores, they will think how little being a freshmen has really affected them. However, though unnoticeable as it is, most of these same freshmen will have matured greatly, and in the years to come will look back wishing to relive those carefree years.

"The Sophomore Class Has a Lot Going for It, Including Apathy. We Could Probably Get a Lot Done, If Everyone Put Out Some Effort."

(Rachel Severance, '76)

Jeff Anderson, Stu-Co Rep.; Joanne Gawith, Vice-Pres.; Greg Hewitt, Vice-Pres.; Pat Petterson, Pres.; Barb Blass, Treasurer.

"It seems like during your sophomore year you get in more trouble than any other years."

(Cindy Nelson, '76)

"Some sophomores seem really immature, but within the next two years I hope they change."

(Mary Schaffer, '76)

The sophomore Class worked hard to raise money to be used for projects during their junior and senior years.

Their efforts at making a float for the 1973 Football Homecoming proved worthwhile when they took first prize.

Sponsoring a car wash seemed a good idea and the sophomores earned money for their efforts, with lots of luck bringing them good weather and sunshine on the appointed day.

Although earning money is an important part of every class, the sophomores also seemed to find time out for different activities. Their participation helped to bring under and upperclassmen a little closer together.

The sophomores of '76 were always looking for fun and good times, and perhaps just a little bit wishful. Looking forward to years ahead and looking back, remembering, sometimes regretting, but always enjoying thoughts of their sophomore year.

"Just think, one more year!"
(Brenda Blass, '75)

"Members of the Junior Class don't care enough about their class to want to work to earn money."

(Nancy Abercrombie, '75)

"There's just too much apathy in our class."

(Joan Weidenhaft, '75)

Money, money, money--always a problem. The Junior Class had bake sales, a play, concessions stands, a car-wash, and even saved labels in order to raise the money necessary to have the Junior-Senior Prom.

An important event for most juniors during the year, was the arrival of their class rings in January.

Smaller in Number But Large in Mentality. (Marian Motes '74)

Fifty-eight seniors graduated May 14, leaving behind many memories, broken traditions, and frustrating times.

Although they will never have to worry about another class play, decorating elaborately for proms and homecomings, cheering at games, paying class dues, or just getting to class on time, they will be faced with one of the hardest decisions in their lives--what to do after graduation. Some will be looking forward to moving on; others will be stunned with the loss of good friends and teachers.

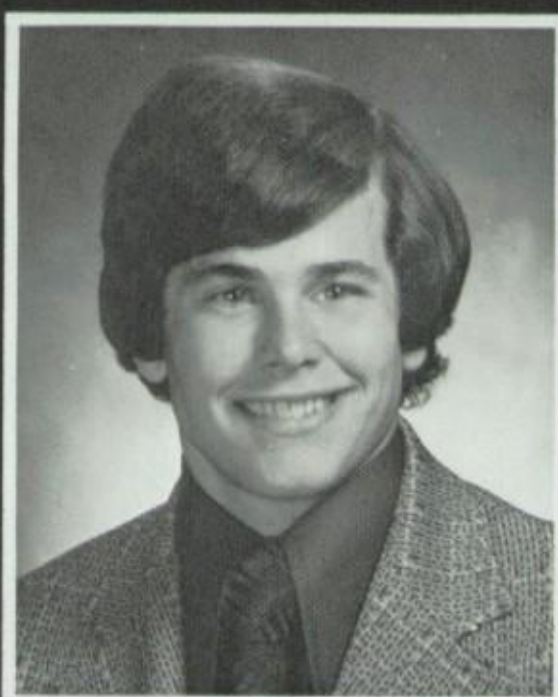

But it wasn't until they were walking down the aisle with their diplomas in hand that they realized there was no turning back.

"I'll never forget my "family," friends, and all the good times I've had during the year."

(Susanne Fabricius, '74)

A new, out-going, smiling addition to BHS arrived in July from her far-away home in Ekenas, Finland--our AFS student Sussi Fabricius. She made her home with the Gerald Brummer family and quickly adjusted to the farm life. She has been active in Pep Club, Y-Teens, Future Nurses, was an honorary Winter Sports candidate, and crowned the Powder Puff King. When she leaves, she will be taking the hearts of her friends and many happy memories with her.

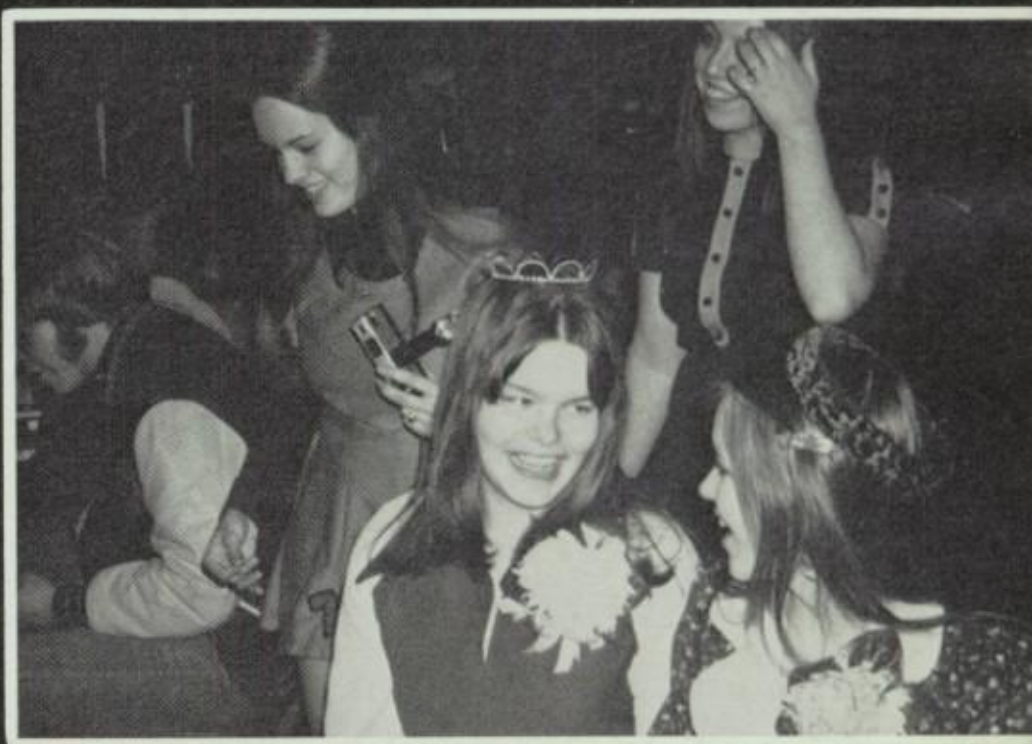

Getting ready for a big night!!

It's hard to catch Sussi without a smile.
